Greetings,

On behalf of Contra Costa’s Child and Adolescent Behavioral Health Program, the Office of Education, and the Antioch Unified School District (AUSD), we would like to thank all applicants for their submissions. We did receive five strong proposals for the program and will be interviewing the top three applicants by the end of January or beginning of February. The outcome of the interviews will be used to determine which candidate will be the best suited agency to partner with AUSD, Contra Costa BHS, and Office of Education to serve the students and their families. With that said, the announcement of awardee date has been extended. An announcement will be made upon completion of the interviews.
