What is the Hazardous Materials Commission?

The Hazardous Materials Commission is an advisory body to the Contra Costa County Board of Supervisors on hazardous materials and hazardous waste issues. It is made up of representatives from Cities, labor groups, environmental groups, businesses, the League of Women Voters and the general public.

The Commission advises the Board on new/existing policies, regulatory programs, educational programs, and legislation affecting the use, storage, transportation, and disposal of hazardous materials and waste.

Student Intern Expectations:

- Complete a minimum of 42 hours over the 7 month-long internship to receive a \$525 stipend**
- Interns will research and present on a hazardous materials topic of personal or commission interest, conduct informational interviews, and attend Full Commission meetings

Note: Full Commission meetings will be held virtually until further notice; if meeting is in-person, they will be held in North Concord. Interns are also encouraged to join optional subcommittees in North Richmond and Martinez.
