2023 Priorities

- **One change in phrasing from 2022 on Priority #2**
 - 2022: Assess patients' social determinants of health needs upon enrollment in Compass Rose.
 - 2023: Improve the understanding of patient mental health needs and ensuring better access and connection to care.
- **Reasoning:**
 - Better aligns with the associated measures.
 - Moves away from relying on Compass Rose which is not yet fine tuned.
