Under the Mental Health Services Act (MHSA), Contra Costa Behavioral Health Services (CCBHS) is conducting a *virtual forum* as part of the **Community Program Planning Process**. CCBHS provides mental health and substance use treatment services.

- ❖ Understand how the MHSA works
- ❖ Learn about the Innovation component and new project ideas
- ❖ Participate in small group discussions and provide input
- ❖ Help inform the MHSA Three Year Plan and future use of MHSA funding

We value your unique experience, especially as a client/consumer/peer, family member, or member of the community!
