

To the tune of "Ain't No Mountain High Enough"

Listen, med staff
Ain't no ICU full
Ain't no clinic low
Ain't no ER busy, med staff

If you need us, call us
No matter where we are
No matter what time (don't worry, med staff)
Just page the Intern
We'll be there in a hurry
You don't have to worry

Cause med staff there...
Ain't no ICU full enough
Ain't no clinic far enough
Ain't no ER busy enough, to keep us from Contra Costa

Remember the day,
We came from med school
We told you you could always page us, med staff
From that day on, we made a vow
We will be at CCRMC, everyday, somehow

Cause med staff there
Ain't no ICU full enough
Ain't no clinic far enough
Ain't no ER busy enough, to keep us from Contra Costa

Oh yes, med staff. All the patients, all the procedures
Point of care ultrasound, comes for us med staff

Oh yes, med staff
Cause you know
If a patient's in trouble, we'll be there on the double
Just send for us
O med staff

Our love if alive
Right here in our hearts
Even though clinics are miles apart

If you ever need a helping hand,
Interns will be there on the double
Just as fast as we can

Don't you know that there...
Ain't no ICU full enough
Ain't no clinic far enough
Ain't no ER busy enough, to keep us from Contra Costa
